2009 NCCC CONVENTION SPONSORSHIP LEVELS

The National Council of Corvette Clubs' 2009 Annual meeting and convention will be a special event in the history of NCCC as we celebrate the **50th Anniversary of NCCC**. The beautiful Rocky Mountain area will be a picturesque location to host this event and the planned activities should interest the competitor as well as the tourist. So, join us for this special celebration at the Crowne Plaza in Colorado Springs, Colorado during the week of August 8-14, 2009 as NCCC members gather for a week of **"Corvettes with Altitude"** fun and events designed to enjoy their favorite car, renew old friendships, and view the beauty of the area.

To help defray the costs of hosting this exciting event, NCCC has numerous Sponsorship opportunities available. Activities for the week will include an indoors Concours and People's Choice Car Show, a funkhana, a scenic rallye and a golf tournament. The racing competition for the week will heat up with the high and low speed autocross events scheduled for Pikes Peak International Raceway and the drag event scheduled for Bandimere Speedway. Corvette Mall will be open all week for you to display your "wares" to our members as well as providing you an opportunity to meet our members, one on one. Special extras, including a dinner at the famous Flying W Ranch, are planned during the week at the social events with the **NCCC 50th Anniversary Party** as the highlight on Thursday night. Whether you are looking for competitive or social functions to sponsor, there are many activities in which your company can participate during this week.

Sponsorship Opportunities Include:

- ✓ Concours Car Show
- ✓ Funkhana
- ✓ High Speed Autocross
- ✓ Banquets
- ✓ People's Choice Car Show
- ✓ Scenic Rallye
- ✓ Low Speed Autocross
- ✓ Off-Site Activities
- ✓ Dinners
- ✓ Socials
- ✓ Golf

Join with the NCCC as a sponsor of this historic event for our organization, the **GOLDEN ANNIVERSARY of NCCC**, and enjoy the Rocky Mountain area as we celebrate **"Corvettes with Altitude"** at our 2009 convention
