2010 NCCC CONVENTION SPONSORSHIP LEVELS

Having just celebrated our 50th anniversary and 50th convention, the National Council of Corvette Clubs will host their 51st convention in a familiar spot to NCCC members. It is back to the sunny skies of Florida, one more time, but in an exclusive part of the state that is known to have "The Best of Everything."

Palm Beach County is known for its five star resorts, golf courses, exclusive shopping areas, and excellent restaurants and during the week of July 24-30, 2010, it will be known as the exclusive host of the 51st NCCC annual convention.

Our home for the week will be the Palm Beach Gardens Marriott that is located in the West Palm Beach area. This hotel, newly renovated, will provide excellent amenities for our convention guests who are in Florida for touring the area, enjoying the beach or golf courses, renewing their friendships with fellow NCCC members as well as participating in the competitive activities for the week.

Our complete competition program will be in high gear as we have the unique opportunity to explore the Palm Beach International Raceway for our high speed, low speed, and drag events. Previously known as the Moroso Motorsports Park, this race course will provide fun and challenges for the novice and the seasoned competitor.

The convention competition is complete with the addition of a concours at a local dealership, funkhana at the hotel, and a rallye that includes scenic local areas that will entice the participants to further explore Palm Beach County. Social activities?? Pool parties, tours, dinners... You can always expect the unexpected with our seasoned convention hosts. I know they have some fun surprises planned.
